No Prescription Drug Coverage? We May Be Able to Help!

Eligibility Requirements

- For free brand-name medications provided by the pharmaceutical company:
 - Low to moderate income
 - No prescription coverage (some exclusions apply)
 - Must provide your tax return, W-2 and/or social security benefit statement(s).
- For low-cost generic medications:
 - None – anyone is eligible, even the insured!

How does the program work?

- Complete an information form and contract. Forms can be found online at www.UnitedWayTJA.org → Need Help → Health → Prescription Assistance.
- Mail or fax the forms and prescriptions.
- If approved for the pharmaceutical company's assistance program, medication will be delivered to your home or doctor's office in approximately 3 to 4 weeks. Enrollment is typically good for 1 year.
- Generic medications will be shipped to your home 5 to 7 days after payment.

**Direct financial assistance is not provided through this program.*
